Stephen Selznick is a partner in the firm's Intellectual Property Group. His practice is concentrated on corporate and commercial structuring, reorganizations and litigation, involving intellectual property causes.

Stephen represents a multitude of domestic and foreign clients in knowledge-based industries, including advertising, marketing, motion picture, television, publishing, recording, theatre, multimedia, electronics, computer software development to systems design and integration, telecommunications, remote sensing and emerging technologies.

Stephen is an adjunct professor of law at Osgoode Hall Law School and has been a guest lecturer at York University's Faculty of Fine Arts, Queen's University Faculty of Law, University of Toronto Faculty of Law, Algonquin College (Ottawa), Ryerson Polytechnical Institute (now Ryerson University) and The George Brown College of Applied Arts and Technology.

Stephen has extensive experience with the purchasing, financing, selling, licensing and restructuring of all forms of intellectual property, including re-organizations, in-bound and out-bound licensing agreements, research and development agreements and co-branding agreements. He has appeared before the Ontario Superior Court, the Commercial List of the Ontario Superior Court, Ontario Court of Appeal, Federal Court, Federal Court of Appeal and numerous tribunals, in intellectual property disputes. Representative cases include:

- Represented Oracle Corporation in the reclamation of its intellectual property rights in its retail and database management systems on the insolvency of the T. Eaton Company (then one of Canada's oldest and largest retailer)
- Represented the producers of Sir Andrew Lloyd Webber's *Cats* and *Joseph and the Amazing Technicolor Dreamcoat* in both long run sit-down Toronto productions and subsequent North American tours of those theatrical productions
