Jenna Clark is an associate in the [Financial Services Group](#), based in our Vancouver office. Her practice focuses on corporate financing matters, representing both lenders and borrowers involved in domestic and cross-border lending and corporate reorganizations, including secured and unsecured lending transactions, project finance, and syndicated loans.

Jenna obtained her J.D. from the Schulich School of Law at Dalhousie University and she was honoured to represent her graduating class as Valedictorian. While at Dalhousie, Jenna attained Dean's List distinction and received multiple academic awards, including prizes for highest standing in Securities Regulation, Evidence Law, Environmental Law, Criminal Law, and Property Law. Prior to law school, Jenna earned a B.A. in History from the University of British Columbia and played for the women's varsity soccer team.

Jenna's experience includes:

- Acting for Victoria Gold Corp. in connection with its US\$75 million senior secured project finance facility, US\$100 million secured subordinated debt facility, and US\$50 million equipment financing facility for the development of the Eagle Gold Project in the Yukon, Canada and related \$98 million royalty arrangements
- Acting for Continental Gold Inc. in connection with its US\$250 million senior secured project finance facility for the development of the Buritica Project in Colombia
- Acting for Atlantic Gold Corporation in connection with its \$115 million senior secured project finance facility
- Acting for Tahoe Resources in connection with its US\$175 million senior secured revolving credit facility (including a US\$25 million accordion feature) and the US\$35 million term loan credit facility for La Arena S.A. (an indirect, wholly-owned subsidiary of Tahoe Resources Inc.)
- Acting for Torex Gold Resources Inc. in connection with its US\$375 million senior secured project finance and cost overrun facility for the development of the El Limon-Guajes Project in Mexico and the term loan refinancing thereof
- Acting for Trevali Mining Corporation in connection with its acquisition of Rosh Pinah and Perkoa Mines in Namibia and Burkina Faso, respectively, partially funded by its US\$190 million senior secured credit facility
- Acting for TMAC Resources Inc. in connection with its US\$120 million senior secured term facility for the development of the Hope Bay Project in Nunavut, Canada

- Acting for Antofagasta plc in its US\$1.005 billion cash acquisition of a 50% interest in the Zaldivar Copper Mine from Barrick Gold Corporation
