Jeff Durno* is a partner in the [Securities Group](#) where his practice focuses primarily on securities and corporate finance matters. He provides strategic advice to clients - from start-ups to emerging and established businesses - in structuring and negotiating complex commercial transactions and financial restructurings.

Active in the public market for more than two decades, Jeff acts for issuers, investment dealers and investment advisors across a range of industries including technology, manufacturing and natural resources.

Clients rely on Jeff's experience and the leadership of someone who has been there before. He provides creativity and innovation when structuring a deal or mapping a strategic plan and he executes analytically and efficiently, taking the guesswork out of transactions.

As the former Managing Partner of a Vancouver-based boutique law firm, and a director and officer of several technology-based companies, a merchant bank, as well as TSX and TSX-V listed companies, Jeff brings a unique perspective to the business of law.

Representative highlights include:

- Acting in the Canadian going public transaction of Israel-based Siyata Mobile Inc.
- Acting in the Canadian going public transaction of California-based Identillect Technologies Inc.
- Acting in the Canadian going public transaction of Alberta-based NeutriSci International Inc.
- Acting in the Canadian going public transaction of BC-based Soma Labs Inc.
