## Cassels Brock Authors Establishing a Business in Canada Chapter for Thomson Reuters' Practical Law

Publish: 08/07/2019

Members of the Cassels Brock Financial Services Group have authored the Q&A federal overview of *Establishing a Business in Canada*, published by Thomson Reuters for Practical Law. Contributors were Marc Mercier, Bryan Woodman and Richard Ngo.

The Cassels Brock Q&A gives an overview of the key issues in establishing a business in Canada, including an introduction to the legal system; the available business vehicles and their applicable formalities; corporate governance structures and requirements; foreign investment incentives and restrictions; currency regulations; and tax and employment issues.
